

STEM/ENGINEERING & CONSTRUCTION CAMPS

Start Your STEM Journey in Summer 2025!

Looking to engage in hands-on learning and fun?

SAME offers week-long summer STEM/Engineering & Construction Camps for high school student, supported by the SAME Foundation!

Led by industry professionals and other volunteers from the military and engineering community, the SAME Camps Program focuses on hands-on, project-based learning that provides students with opportunities to begin exploring STEM fields, including science, engineering and construction as well as technology and the environment, and to chart a course for future education, leadership, and workforce opportunities.

The camps feature many dynamic activities, including building concrete beams, operating drones and remote-controlled submarines, using survey equipment, constructing and testing cardboard boats, and more!

CAMP HIGHLIGHTS:

- Camps last one week and range from \$100 - \$800.
- Scholarships for campers are available.
- Camps are offered at five locations/bases.
- Lodging and all meals provided.
- Camps held in June and July; all are overnight camps.
(Must be at least 15 years of age to apply: rising sophomore, junior, or senior.)

Campers are selected by SAME Posts from around the country, which often provide offsetting financial support toward camp tuition. Each year, more than 75 percent of campers receive over half their costs paid.

Application Deadline: March 12, 2025

STEM/ENGINEERING & CONSTRUCTION CAMPS

Start Your STEM Journey in Summer 2025!

SAME/U.S. ARMY ENGINEERING & CONSTRUCTION CAMP

June 8-14, 2025 • Vicksburg, MS

Looking to engage in hands-on learning and fun?

The Society of American Military Engineers (SAME) is accepting nominations for 40 qualified high school students interested in attending the SAME/Army Engineering & Construction Camp in June 2024.

Students will engage in hands-on engineering and construction activities under the mentorship and supervision of SAME professionals and other volunteers from the local engineering community. The week-long program includes interaction with of architecture/engineering firms, construction companies, military leaders, and the U.S. Army Corps of Engineers.

CAMP HIGHLIGHTS:

- Camp lasts one week and costs \$100.
- Camp is overnight; all food, lodging, supervision is provided.
- SAME Camps feature many dynamic activities, including building concrete beams, operating drones and remote-controlled underwater vehicles, using survey equipment, constructing and testing cardboard boats, and more!

(Must be at least 15 years of age to apply; rising sophomore, junior, or senior.)

Application deadline: March 12, 2025

APPLICATION CRITERIA:

- Rising Sophomore, Junior or Senior in Fall 2025. At least 15 years of age at time of camp.
- On a track that will provide a basis for attending an accredited engineering college or university (such as taking appropriate STEM courses).
- Minimum GPA of 3.2 (not required but highly recommended)
- Demonstrated leadership characteristics through participation in extracurricular activities, sports, and/or community activities.
- Physically fit.
- U.S. Citizen.
- Able to provide proof of medical insurance.

COSTS & REGISTRATION:

Registration fee for the camp is \$100. This includes lodging, meals, materials, instruction, and mentoring.

Once selected, campers must submit half the registration fee to hold their spot. Sponsorships for the other half of the amount (or more) may be available from SAME Posts.

Sponsorships are not absolutely guaranteed and if not sponsored by a Post, the camper could be responsible for all camp fees and transportation.

U.S. AIR FORCE

SAME/U.S. AIR FORCE ACADEMY ACADEMY ENGINEERING & CONSTRUCTION CAMP

June 22-28, 2025 • Colorado Springs, CO

Looking to engage in hands-on learning and fun?

The Society of American Military Engineers (SAME) is accepting applications for qualified high school students interested in attending the SAME/Air Force Academy Engineering & Construction Camp in June 2024 at the U.S. Air Force Academy, Colo.

This is a week-long, live-in STEM camp, with full immersion in engineering and STEM activities. The Air Force Academy provides world-class facilities for this program. Campers work as teams of 12 to complete engineering tasks in a competitive environment. They are supervised, mentored, coached, led, and guided 24/7 by young STEM professionals and college students in a STEM major.

CAMP HIGHLIGHTS:

- Camp lasts one week and costs \$800.
- Camp is overnight; all food, lodging, supervision is provided.
- SAME Camps feature many dynamic activities, including building concrete beams, operating drones and remote-controlled underwater vehicles, using survey equipment, constructing and testing cardboard boats, and more!

(Must be at least 15 years of age to apply; rising sophomore, junior, or senior.)

Application deadline: March 12, 2025.

SAME/U.S. MARINE CORPS STEM, ENGINEERING & CONSTRUCTION CAMP

June 22-28, 2025 • Camp Lejeune, NC

Looking to engage in hands-on learning and fun?

The SAME/Marine Corps Camp is geared toward students interested in pursuing engineering-related studies in college or a service academy and is built on the steps that professionals encounter when working with a client to deliver sound installation and facilities related products.

Campers live, eat, and complete activities as a squad of 10, under the guidance of a uniformed servicemember and two STEM-related working professionals. Berthing is provided in Marine Corps barracks; meals are taken at galleys or in the field; and instruction is conducted at various sites aboard MCB Camp Lejeune, N.C.

CAMP HIGHLIGHTS:

- Camp lasts one week and costs \$800.
- Camp is overnight; all food, lodging, supervision is provided.
- SAME Camps feature many dynamic activities, including building concrete beams, operating drones and remote-controlled underwater vehicles, using survey equipment, constructing and testing cardboard boats, and more!
