The summer camp registration period ended on March 15th. SAME National has two weeks to review the applications. Several local students showed interest in applying. We are hoping they completed the process and met the qualifications. Scholarship applications are out and will be due the first part of May. It is also the end of the semester for the current students, so updates should be forthcoming from them.

The annual golf tournament will be held in October as previously planned this year, at the International City Golf Club, due to various scheduling conflicts. Martin's BBQ and/or a food truck is being considered to provide lunch catering.

SAME National:
